Decorative Board and Laminate

A Palette of Possibilities

Enhanced Colour Range

Colourpyne has released a stunning selection of new colours and textures inspired by nature. From soft neutrals and earthy tones to bold, contemporary shades, the expanded range offers something for every aesthetic preference.

New Solid Colours

Six captivating solid colours designed to elevate any space. Each shade has been meticulously curated to inspire a sanctuary of calm and sophistication, with earthy mid-tones that resonate with warmth. The visual simplicity and strength of these colours make them perfect for any project and complement a wide range of palettes.

New Finawood Finish

15 custom-designed timber decors, enhanced with a new refined natural woodgrain finish that will confidently complement and elevate any joinery. These new options provide a sophisticated touch that seamlessly elevates any design. Whether you're creating residential cabinetry or high-end commercial joinery, the Finawood range delivers a timeless elegance that will leave a lasting impression.

The Ultimate Companion Product

The Colourpyne range is the perfect companion product for those seeking to create cohesive, functional, and visually stunning spaces. Its diverse range of colours and finishes seamlessly complements a variety of materials, such as stunning benchtops, designer hardware, and complementary materials, offering the flexibility to achieve your desired aesthetic. By enhancing and accentuating the beauty of surrounding materials, Colourpyne ensures every design feels balanced, polished, and timeless.

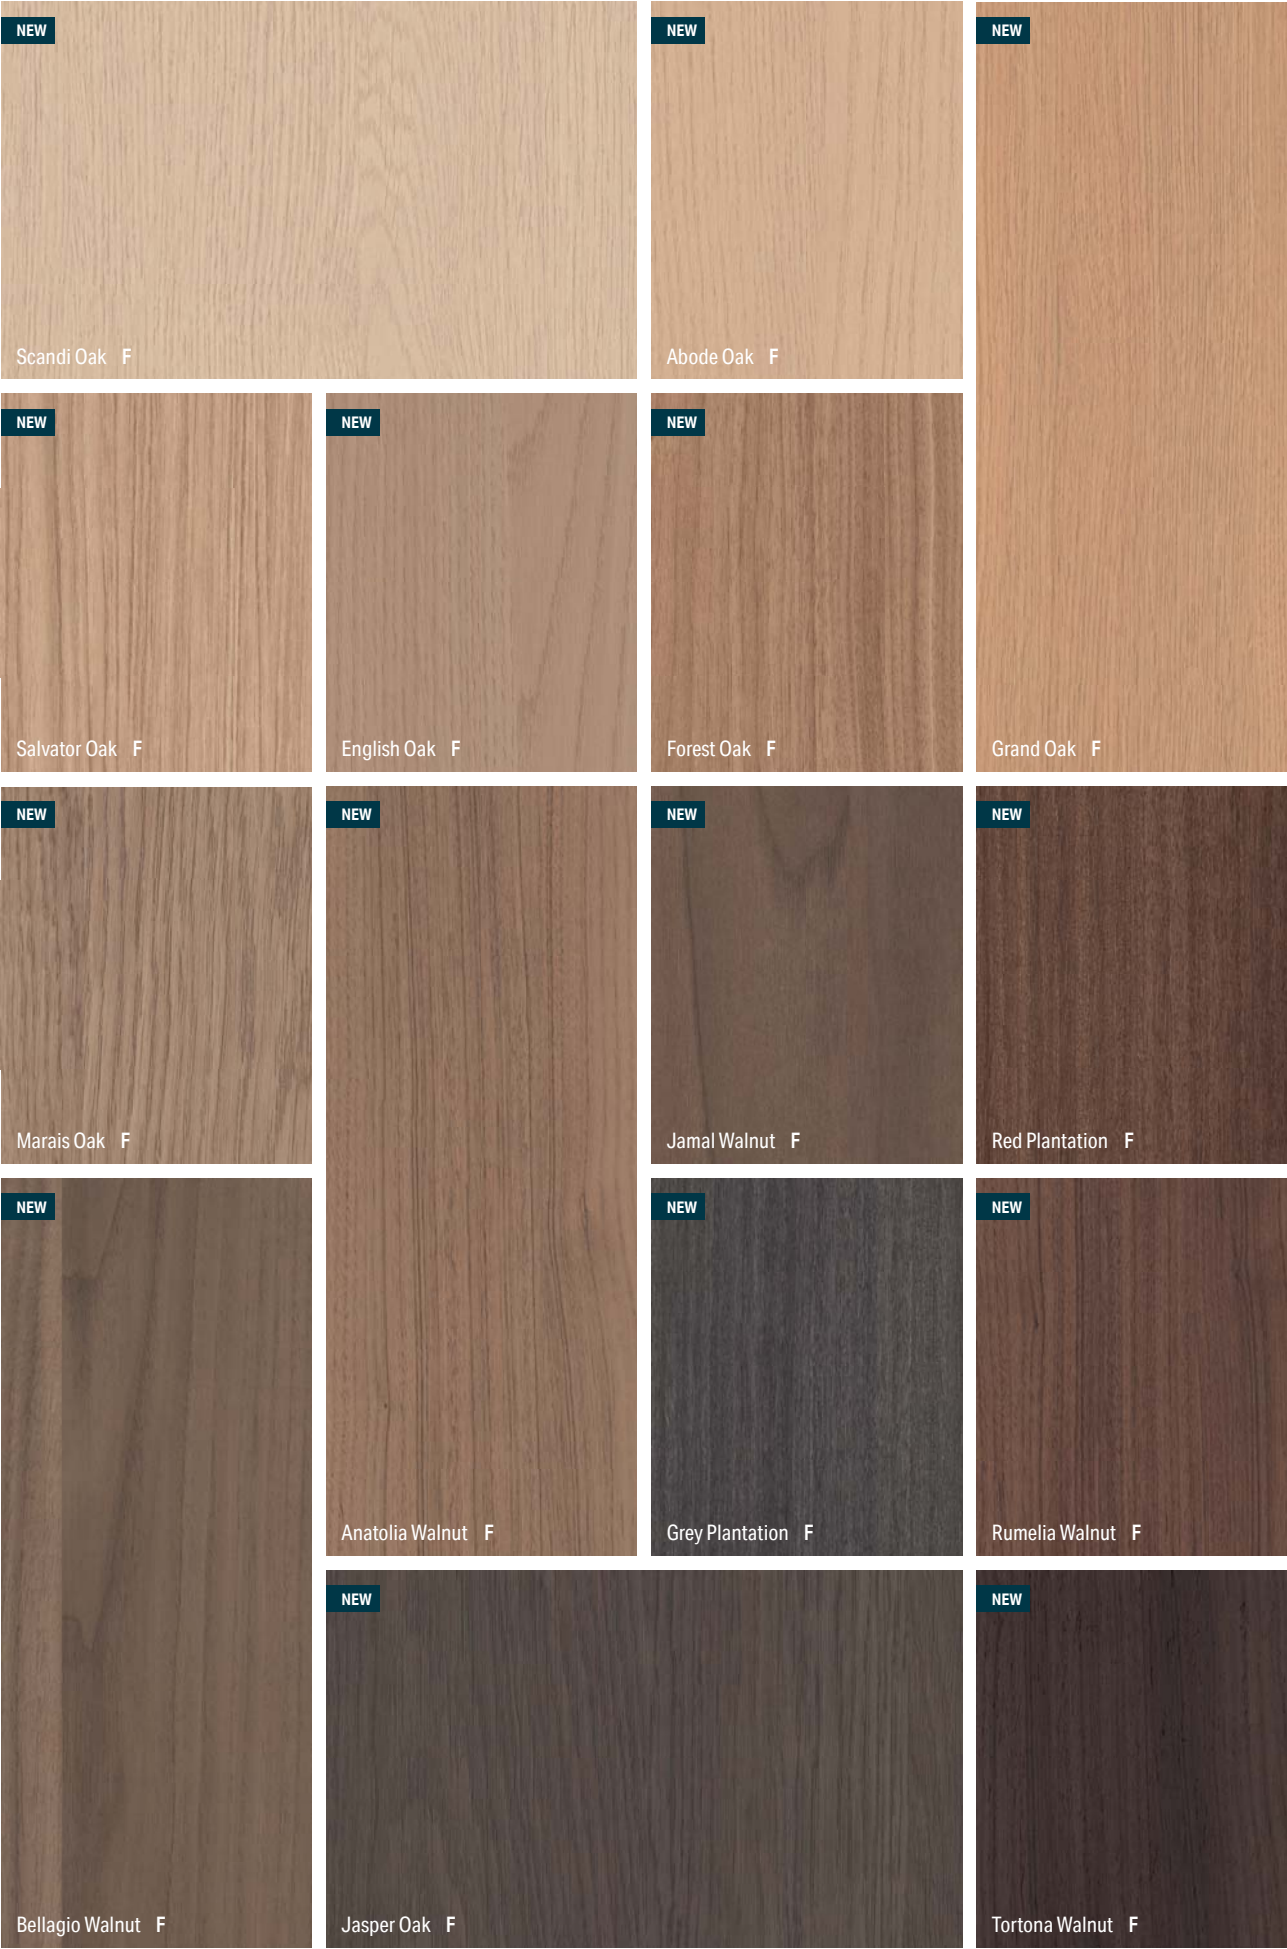

Elevate your designs with Colourpyne – where beauty, durability, and versatility meet.
